Member Handbook
Member Handbook

The Care Management Team
1-855-55-MONTE
(1-855-556-6683)

Approved by NYS DOH July 9, 2014
Montefiore Diamond Care Member Services

If you have questions or need help, you can call or write to us any time. Please contact us at the location listed below.

Montefiore Diamond Care  
200 Corporate Boulevard South, Suite 200  
Yonkers, NY 10701  
1-855-55-MONTE (1-855-556-6683)

Call if you need to reach a member of your Care Team, ask about benefits and services, get help with referrals, replace a lost ID card, get help in choosing or changing your doctor, or ask any other questions you may have.

If you do not speak English, we can provide you with a written member handbook in other languages. We also use a translation service that can provide translation services in multiple languages. Please contact us at 1-855-55-MONTE (1-855-556-6683) for additional information.

Special services are available for people with special needs. If you have special needs, call us and we will provide extra help. We will help you find the services that will meet your needs from providers who understand and are prepared to meet your special needs. We can provide materials in large print upon request. We can assist you in obtaining VCO (Voice Carry-Over) or TTY (Text Telephone Device) by dialing 1-855-55-MONTE (1-855-556-6683) to help make communication easier. This Member Handbook is also available in large print or on CD upon request.
About This Member Handbook

The Member Handbook is given to you at the time of enrollment to help you to learn about the program. It is designed to help you understand Montefiore Diamond Care’s plan. Please read it carefully and refer to it when you need information about how the plan works, including:

- Which services are covered by Montefiore Diamond Care and how to receive them
- What to do in an emergency
- What to do when you are unhappy with services, or decisions about your health care

If you decide to enroll in Montefiore Diamond Care, this handbook becomes your guide to services and along with the enrollment agreement/attestation is your contract with Montefiore Diamond Care. You will receive an updated version of the Member Handbook whenever changes are made. You will also receive by mail the Provider Directory upon enrollment and annually thereafter, or you may request one at any time.

To participate in Montefiore Diamond Care, you must be Medicaid eligible.

Membership Card

Your Montefiore Diamond Care identification card (ID card), which will be provided upon enrollment, will let providers know that you are enrolled in the Montefiore Diamond Care program. It is important that you carry this card with you at all times.

Tips for New Members

- Keep this Member Handbook handy.
- Keep your Montefiore Diamond Care Member ID and any other health insurance cards in your wallet along with your Medicaid and Medicare cards, including your Medicare Prescription Drug Plan Card.
- Post Montefiore Diamond Care’s contact telephone numbers near your telephone.
- Place the “Service Plan for Member” on your refrigerator door.

1. **Welcome to Montefiore Diamond Care**

Montefiore Diamond Care is pleased to introduce you to our Managed Long-Term Care program. Montefiore Diamond Care is offered by Montefiore HMO, LLC. We welcome you as a member, and urge you to review this booklet carefully. Please feel free to ask questions about any of the sections. If you need help understanding the information in this handbook, please contact Montefiore Diamond Care at:

1-855-55-MONTE (1-855-556-6683)

Enrollment in Montefiore Diamond Care is voluntary. To enroll in our program you must meet our eligibility criteria as outlined in Section 9, Eligibility, pages 16–17.

**Montefiore Diamond Care will help you remain as independent as possible.** Montefiore Diamond Care provides and coordinates services designed to keep you living in your own home for as long as possible. Montefiore Diamond Care does this by providing a comprehensive long-term care benefit package of covered services, and by coordinating the Medicaid and Medicare services that you need that we do not cover. Your Care Team will work with you and your family to provide you with the care you need.

**Montefiore Diamond Care provides access to services 24 hours a day, seven days a week, 365 days a year.** To ensure that you receive the care you need and that your care needs are fully addressed, our staff is available to help you 24 hours a day, seven days a week, 365 days a year. To contact us at any time, call:

1-855-55-MONTE (1-855-556-6683)

2. **Special Features of Montefiore Diamond Care**

Montefiore Diamond Care, a Managed Long-Term Care Plan (MLTCP), helps adults over the age of 21 by providing and coordinating healthcare services so that they can continue to live at home for as long as possible. Should you decide to enroll in Montefiore Diamond Care, you will be participating in a Managed Long-Term Care Plan of New York State. Managed long-term care is a way to provide you with the healthcare and long-term care services you may need coordinated by one program, Montefiore Diamond Care. If you choose Montefiore Diamond Care, you agree to receive covered services only from Montefiore Diamond Care and its network of providers, as described in your Care Plan. The following elements are key to the Montefiore Diamond Care program:

A. **The Montefiore Diamond Care Care Management Team**

Upon your enrollment, you will be assigned to a Care Team. To help you to manage your chronic health problems, the Montefiore Diamond Care Care Management Team
Team monitors changes in your health status, provides appropriate care and encourages self-help. The Care Team is composed of nurses, social workers and service coordinators. If at any time you are not happy with your Care Team, you can discuss a change with the Care Team Supervisor.

Your Care Team members are available to assist you with any issues. Please contact your team’s service coordinator for help with non-emergent transportation arrangements, scheduling medical appointments and arranging for home care aides. Contact your team nurse for help with health-related issues (such as medications, symptoms, coordinating with your doctor, medications etc.) or contact your team social worker for help with issues related to Medicaid, Medicare, other insurance, housing, community resources and programs, and/or individual or family counseling.

To decide what services are most important to help you remain at home, your Care Team will continuously monitor and evaluate your health status. Your Care Team will develop a care plan, in collaboration with you and your doctor, designed to meet your healthcare needs. The care plan will include your goals, objectives and special needs. The Montefiore Diamond Care Care Team will contact your doctor to discuss and develop your care plan. This plan will change as your needs and condition change, and will be re-evaluated at least every 180 days.

Your Care Team will coordinate services you receive, and will communicate with your doctor on an ongoing basis. This means that your Care Team will arrange appointments for you, provide for transportation to and from appointments, and communicate with other care providers, for services covered by Montefiore Diamond Care as well as those not covered by Montefiore Diamond Care.

When needed, your Care Team may also help you modify your home to increase safety and convenience, as well as arrange for assistance from family, friends and neighbors.

By helping you manage all aspects of your care, your Care Team can identify problems early, prevent problems from getting worse and help you avoid trips to the hospital and emergency room.

**B. Access to Care**

For most covered services, your Care Team must authorize the service before you can receive it. Some covered services require a doctor’s order. However, your doctor or your Care Team does not have to authorize services for you in an emergency or urgent situation, as described in Section 6.
You can also go to a nutritionist, podiatrist, dentist, audiologist or optometrist for evaluation and routine services without prior authorization from your Care Team.

C. Where You Will Receive Services

Most of your covered healthcare services are provided in your home and may be supplemented by a senior center or contracted day center in our provider network. You can access services in a medical office for dental, podiatry, audiology or optometry services, and if needed, you may receive inpatient nursing home services in an in-network nursing facility.

D. Primary Care Doctors and Other Non-Covered Service Providers

You can choose your own doctor. You can also change your doctor at any time.

If you do not have a doctor, your Care Team can help you find a doctor.

If you need our assistance in finding or changing your doctor, contact a member of your Care Team at the telephone number listed in this Member Handbook and on your identification card.

You can choose any provider you wish for services not covered by Montefiore Diamond Care.

Your Care Team will help you to identify providers of non-covered services if you do not already have a provider. See Section 4 for a listing of non-covered services.

Participating Providers and Covered Services You have the freedom to choose providers for covered services paid for by Medicare. However, when Medicare stops paying for these services, you must use a network provider in order for Montefiore Diamond Care to cover the service. Therefore, it may be better for you to choose one of our network providers right from the start. Montefiore Diamond Care pays the Medicare co-pays for covered services if Medicare is the primary payor.

You will receive a Provider Directory upon enrollment and annually. You have the freedom to choose any provider from this list for covered services. Montefiore Diamond Care will assist you in choosing or changing a provider for covered or non-covered services.

You can switch to another network provider at any time. The provider will be changed as soon as possible, based upon the provider’s availability.

Network providers will be paid in full directly by Montefiore Diamond Care for each service authorized and provided to you with no co-pay or cost
to you. Although there is no cost to you for individual services, you are required to pay the Medicaid Spenddown, if you have one, to maintain your Medicaid benefit. See Section 13, Monthly Spenddown, page 21.

If you receive a bill for covered services authorized by Montefiore Diamond Care, please contact your Care Team. You may be responsible for payment of covered services that were not authorized by Montefiore Diamond Care, or for covered services that were obtained from providers outside of Montefiore Diamond Care’s network.

If you have questions about the qualifications of any provider, ask your Care Team.

E. **Flexibility of Care**

Montefiore Diamond Care has flexibility in providing care according to your needs and can provide you with the services that are necessary to meet your needs.

F. **Organizational Structure**

Montefiore Diamond Care is offered by Montefiore HMO, LLC. Montefiore HMO is a managed long-term care company wholly owned by Montefiore Health Systems. Montefiore Diamond Care is a leader in coordinating the care needs of individuals over the age of 21 who require more than 120 days of community-based services, with a focus on enabling them to live at home and in their communities.

3. **Advantages of Enrolling in Montefiore Diamond Care**

Montefiore Diamond Care was designed and developed specifically to promote independence among adults who need more than 120 days of community-based services by offering comprehensive, coordinated long-term care services through a single organization. Montefiore Diamond Care’s unique organizational and financing arrangements allow for providing the most flexible benefits. Other advantages of participating in the plan include:

- A Care Team of dedicated qualified health professionals who get to know you personally
- A Care Team that is there to oversee and coordinate your care whether at home, in a hospital or in a nursing home
- Support for family and caregivers in their efforts to help you remain in your own home
- Enrollment that continues until death or disenrollment regardless of changes in health status; see Section 11, Disenrollment, pages 19–21.
4. **Benefits and Coverage/Coordination of Other Medical Services**

The following benefits are fully covered when specified in your service plan.

**Montefiore Diamond Care Covered Services:**

<table>
<thead>
<tr>
<th>Covered Services</th>
<th>Definition</th>
</tr>
</thead>
<tbody>
<tr>
<td>● Care Management</td>
<td>● Care management is a process that ensures consistent oversight, coordination and support to members and their families in accessing MLTCP covered services as well as non-covered services.</td>
</tr>
<tr>
<td>● Nursing Home Care</td>
<td>● Short- or long-term care provided in a New York State (NYS) licensed skilled care residential facility. Care is provided to members through Montefiore Diamond Care network facilities.</td>
</tr>
<tr>
<td>● Home Care</td>
<td></td>
</tr>
<tr>
<td>a. Nursing</td>
<td>a. Intermittent, part-time nursing services. Nursing services must be provided by a registered nurse (RN) or a licensed practical nurse (LPN). Nursing services include care rendered directly to the member and instructions to a caregiver in the procedures necessary for the member’s treatment or health maintenance.</td>
</tr>
<tr>
<td>b. Home Health Aide</td>
<td>b. Personal care services in addition to vital signs, administering pre-drawn insulin, passive range of motion exercises, housekeeping services.</td>
</tr>
<tr>
<td>c. Medical Social Services</td>
<td>c. Information, referral and assistance obtaining or maintaining benefits to help the member remain in the community.</td>
</tr>
<tr>
<td>● Adult Day Health Care</td>
<td>Care and services provided in a healthcare facility, including: medical, nursing, nutrition and social services; rehabilitation therapy; leisure time activities and dental or other services.</td>
</tr>
<tr>
<td>● Personal Care</td>
<td>● Assistance with one or more activities of daily life, such as walking, cooking, cleaning, bathing, using the bathroom, personal hygiene, dressing, feeding, nutritional and environment support function tasks.</td>
</tr>
<tr>
<td>● Consumer Directed Personal Assistance Service (CDPAS)</td>
<td>● Allows the member or person acting on the member’s behalf to assume full responsibility for hiring, training, supervising, arranging backup coverage when necessary, keeping payroll records and, if</td>
</tr>
<tr>

</table>

Benefits cannot be transferred from you to any other person or organization.

**Nursing Home Care**

There may be times when your doctor, your Care Team, and you and your family decide that the best short- or long-term care for you is placement in a nursing home. This is because your home is no longer the best place for you to be taken care of safely and comfortably. The Montefiore Diamond Care Care Team will carefully supervise this placement, and you will continue to receive care through the plan.

When nursing home care is required, a semiprivate room will be provided in a network facility. If your doctor determines it to be medically necessary, a private room will be covered. The Montefiore Diamond Care plan does not cover personal conveniences such as telephone, radio or television rental.

If you have community Medicaid and are ineligible for institutional coverage (as determined by the New York City Human Resources Administration [HRA] or Local Department of Social Services [LDSS]), and you need care in a nursing home, we will have to disenroll you from the program. For further details about institutional and community Medicaid eligibility, consult the New York City HRA.
or LDSS. For further assistance, contact your Care Team Coordinator or call 1-855-55-MONTE (1-855-556-6683).

5. Care Planning

Care Planning and Care Management

When you enroll, you, your doctor and the Montefiore Diamond Care Care Team will work together to develop a plan of care that meets your needs and is medically necessary. Medically necessary services are services that are necessary to prevent, diagnose, correct or cure conditions that cause you acute suffering, endanger your life, result in illness or infirmity, interfere with your capacity for normal activity or threaten some significant handicap.

The service plan is a written description of all the services you need. It is based on your Care Team’s assessment of your healthcare needs, the recommendations of your doctor, and input from you and your family or caregivers. The service plan is a summary of the services you will receive and is based on the individualized care plan. You will receive a copy of your service plan, and any changes in your service plan will be given to you in writing.

Your Care Team will continuously monitor and evaluate your health status and care needs. As your needs change, your plan of care will be changed to make sure that your service plan includes all of the services you currently need. This will include increasing or decreasing services and changing the services provided. (Please see Requesting Additional Services or Changes to the Care Plan Service and Authorization for Services later in this section.) A formal reassessment will occur at least every 180 days.

To make monitoring your care and evaluating your needs easier, it is important that you talk with the members of your Care Team to let them know what you need. It is also important to let them know when you have used a non-covered service. See Section 4, Benefits and Coverage/Coordination of Other Medical Services, pages 6–10. By doing so, your Care Team will be able to manage your care in the best way possible.

A member of your Care Team will arrange the covered services that you need. This includes setting up transportation to and from all non-emergent medically related appointments, providing you with home-delivered meals and arranging for home care.

A member of your Care Team will also assist you with accessing non-covered services if you need them to. This means, for example, that your Care Team will help you identify providers of non-covered services and will help you schedule your appointments with your doctor, or with a laboratory, and will provide for
transportation to and from these appointments. It could also mean that your Care Team would assist you with accessing hospital outpatient services.

A member of your Montefiore Diamond Care Care Team is available 24 hours a day, seven days a week, to answer questions about your care plan, and to assist you in accessing both covered and non-covered services.

**Authorization for Services**

You will receive a copy of your service plan upon enrollment and at each reassessment period. Any changes in your service plan during this authorization period will be given to you in writing.

Most of the covered services that you receive must be authorized by your Care Team. Some of the services also require a doctor’s order: home health care, nursing home care, rehabilitative therapies, respiratory therapy, durable medical equipment, prosthetics and orthotics. Non-emergent transportation, environmental supports and home-delivered meals must be authorized by your Care Team, but do not require a doctor’s order. You can go to a nutritionist, podiatrist, dentist, audiologist or optometrist for evaluation and routine services without prior authorization from your Care Team.

If you access these services on your own, Montefiore Diamond Care recommends that you contact a member of your Care Team at your earliest convenience to better manage your healthcare needs.

If you need help to access any covered service, you should talk to any member of your Care Team. A member of your Care Team can schedule an appointment and transportation with the provider.

Emergency or urgent care services do not have to be ordered by your doctor or authorized by your Care Team.

**Requesting Additional Services or Changes to the Care Plan**

If you or your doctor feels that you need a covered service or would like to change your service plan, you should contact any member of your Care Team. Your Care Team will review the request and reassess your needs to determine if they are medically necessary. Your Care Team may consult with your doctor about the services and other changes you have requested.

If your Care Team determines that your request is medically necessary, the service will be provided and your service plan will be modified. If your request is denied, you will receive a Notice of Action regarding the denial.
Montefiore Diamond Care will provide you with a Notice of Action any time we deny or limit services requested by you or a provider on your behalf. See Section 14, Resolving Member Problems and Complaints, pages 21–30.

There are specific types of requests called Prior Authorization or Concurrent Review, which can be handled as either standard or expedited. The following are the definitions for each of these:

**Prior Authorization:** A request by you or a provider on your behalf for a new service (whether for a new authorization period or within an existing authorization period) or a request to change a service as determined in the plan of care for a new authorization period.

**Concurrent Review:** A request by you or a provider on your behalf for additional services (more of the same) that are currently authorized in the plan of care.

**Expedited and/or Standard Reviews:** Most requests are handled using standard timeframes, unless the Care Team, in conjunction with the director determines, or the provider indicates, that a delay would seriously jeopardize your life or health or ability to attain, maintain or regain maximum function. You may request an expedited review of a Prior Authorization or Concurrent Review. If the Care Team in conjunction with the director feels that a delay would not jeopardize your life or health or ability to attain, maintain or regain maximum function, the request for an expedited review will be denied in writing.

There are specific timeframes that Montefiore Diamond Care must adhere to for reviewing your requests, based on whether the request is a Prior Authorization or a Concurrent Review. These timeframes are:

**Prior Authorization**
- Expedited: 3 business days from your request for service
- Standard: Within 3 business days of receipt of all necessary information, but no more than 14 days of receipt of your request for services

**Concurrent Review**
- Expedited: Within 1 business day of receipt of necessary information but no more than 3 business days of receipt of your request for services
- Standard: Within 1 business day of receipt of necessary information, but no more than 14 days of receipt of your request for services

**Retrospective Review**
- Request by you for reimbursement for payment of covered service(s) will be treated as a standard prior authorization request.
Extensions:

Extensions of expedited or standard timeframes up to 14 days may be requested by you or a provider on your behalf (through a written or verbal request to the Care Team). The Care Team may also initiate an extension if we can justify the need for additional information and if the extension is in your best interest. If we request an extension, the Care Team will notify you in writing.

You will be notified verbally and in writing regarding your request. Montefiore Diamond Care will respond to your request for a change in service within the above timeframes. See Section 14, Resolving Member Problems and Complaints, pages 21–30, for details.

You have the right to file an appeal if the request is denied.

6. **Emergency Services**

An emergency is a sudden change in medical condition or behavior that is so severe that if you do not get medical attention it would place your health in serious jeopardy.

A medical emergency can include severe pain, an injury or sudden illness.

When you have a medical emergency, you or your caregiver should call 911. This is probably the best way for you to receive the care you need as quickly as possible. However, you can always call us. Someone will be able to assist you 24 hours a day. If you need to reach us in an emergency, call:

**1-855-55-MONTE (1-855-556-6683)**

You are not required to obtain prior approval from Montefiore Diamond Care to receive emergency services and/or emergency care. You are also not required to notify us in advance that you are seeking emergency care or services.

After you receive emergency care, we ask that you or your caregiver notify us as soon as possible. This will help us to manage your care in the best way.

---

2 An emergency is a medical or behavioral condition, the onset of which is sudden and so severe that a prudent layperson, possessing an average knowledge of medicine and health, could reasonably expect the absence of immediate medical attention to result in placing your health or another’s in serious jeopardy.
7. **Care Received Outside the Montefiore Diamond Care Service Area**

**Planned Services**

Before you leave Montefiore Diamond Care’s service area for an extended period, you must be sure to notify your Care Team. You can contact us 24 hours a day at:

1-855-55-MONTE (1-855-556-6683)

If you notify us before you leave, we will be better able to assist you in making care arrangements like making sure you have sufficient medications before you leave. We will also be able to coordinate your care for up to 30 days while you are away. During that time, we will be able to help you with any issues or concerns that you have about your care, and with accessing other services.

If you have notified us that you are leaving the service area, you must return within 30 days in order for us to keep you as a member of Montefiore Diamond Care. If you do not return by then, we will unfortunately have to begin the disenrollment process at the end of the 30-day period.

**Urgent Services**

If you need urgent services and you are in the United States, Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa or the Northern Mariana Islands, you or your designee must notify your Care Team. You can contact us 24 hours a day at:

1-855-55-MONTE (1-855-556-6683)

When you notify us, we will be able to assist you in making care arrangements and will work with your doctor to ensure you get the services you need.

8. **Transitional and Specialty Care**

If, before you enroll, you are being treated by a non-network provider for an ongoing course of treatment, we will pay the provider after you are enrolled, for a period of up to 60 days, for any covered service that you receive as part of the treatment. In order for us to do this, however, the provider must agree to accept Montefiore Diamond Care’s payment rate as payment in full, must agree to abide by Montefiore Diamond Care’s policies and procedures, and must agree to provide medical information about your plan of care.

If you are being treated by a network provider for an ongoing course of treatment while you are enrolled, and the provider leaves the network, we will continue to pay the provider for any covered service that you receive for a period of up to 90 days if the provider continues to treat you after he or she leaves the network. In order for us to do this, however, the provider must agree to accept Montefiore Diamond Care’s payment rate as payment in full, must agree to abide by
Montefiore Diamond Care’s policies and procedures, and must agree to provide medical information about your plan of care.

Your Care Team may authorize an out-of-network care provider of a covered service. Montefiore Diamond Care will authorize an out-of-network service if the network expertise or the service is not available or accessible in our network. Under these circumstances, we will pay for this covered service.

9. **Eligibility**

You may be eligible to enroll in Montefiore Diamond Care if you are:

- At least 21 years old.
- Living in the Bronx or Westchester, which are Montefiore Diamond Care’s service areas.
- Requiring long-term care services offered by Montefiore Diamond Care for more than 120 days from the effective date of enrollment. These services are:
  - a. nursing services in the home
  - b. therapies in the home
  - c. home health aide services
  - d. personal care services in the home
  - e. adult day health care or
  - f. private during nursing
- Capable at the time of enrollment of returning to or remaining in your home and community without jeopardy to your health and safety based on Department of Health criteria.
- Disenrolled from another managed care plan capitated by Medicaid, a Home and Community-Based Services waiver program, or OPWDD Day Treatment Program at time of enrollment.
- Qualified for Medicaid.

In addition to meeting these criteria, you must also sign an Enrollment Agreement and agree to abide by the conditions of Montefiore Diamond Care, as explained in this Member Handbook.

Enrollment is subject to approval by New York Medicaid Choice (NYMC), LDSS or an entity designated by the New York State Department of Health (DOH).

**Conditions for Denial of Enrollment**

You will be denied enrollment if any of the following conditions apply:

- You do not meet one of our eligibility criteria.
- You were previously a member of Montefiore Diamond Care and do not meet our requirements for re-enrollment. See Section 12, Re-enrollment Provisions, page 21.
If you are denied enrollment for any reason, NYMC, LDSS or an entity designated by the NYS DOH will send you a notice advising you of your right to a Fair Hearing.

10. **Enrollment and Effective Dates of Coverage**

Enrolling in Montefiore Diamond Care is voluntary. If you are interested in joining Montefiore Diamond Care, you or anyone you wish can call Montefiore Diamond Care to find out more about our program. As long as you are 21 years of age or older, and live in our service area, an Enrollment Specialist will come to your home to share more information about our program, including providing a copy of this Member Handbook. A Montefiore Diamond Care Provider Directory will be mailed to you upon enrollment. In addition, we will collect more information about you and your healthcare needs. You may have a family member, or anyone else you wish present, when the Enrollment Specialist comes to your home. If you are still interested in joining Montefiore Diamond Care after our Enrollment Specialist has described the program to you, our Enrollment Specialist will check your Medicaid eligibility.

- Medicaid eligibility must be reviewed and established for potential enrollees by the NYC HRA or LDSS.
- If you do not currently have Medicaid, we will help you apply for Medicaid coverage.

Our Intake Team consists of the Director of Enrollment, Enrollment Specialist(s), Intake Nurse(s), Entitlement Specialist, Relationship Coordinators and Intake Clerks.

- Our Enrollment Specialist will ask you to sign an authorization for intake and nurse assessment, which allows the Intake Nurse to assess your healthcare needs and clinical eligibility.
- Our Enrollment Specialist will ask you to sign a consent form that allows your healthcare providers to release your medical information to us.
- Our Enrollment Specialist will review this Member Handbook with you.
- Our Enrollment Specialist will give you a Provider Directory.

- Our Intake Nurse will come to your home, usually within a week of our Enrollment Specialist’s visit, to:
  - Do an initial assessment.
  - Determine if you require long-term care services offered by Montefiore Diamond Care for 120 days.
Provide you with information and the form regarding the Health Care Proxy.

Discuss your service needs with you.

Complete and provide you a copy of the projected service plan.

After completing the initial assessment, our Intake Nurse will ask you to sign the Enrollment Agreement. By signing the Enrollment Agreement, you agree to:

- Receive all covered services from Montefiore Diamond Care and our network providers.
- Participate in Montefiore Diamond Care according to the terms and conditions described in this Member Handbook.

The Intake Nurse, along with your doctor and through discussion with you and your caregivers, will develop an initial service plan designed especially to meet your care needs.

The Intake Nurse will discuss your service plan with you prior to enrollment, and will send you a copy of the service plan.

During the time prior to your enrollment, the Care Team will maintain contact with you to answer any of your questions, discuss your service plan and help you with any service needs prior to your enrollment date.

Your enrollment becomes effective the first of the month. You will receive your membership letter and a Montefiore Diamond Care membership identification card.

Within a few days of joining our program, your Care Team will contact you to review your satisfaction with the service plan and discuss any concerns you may have. Changes in your service plan can be made as needed based on your care needs. Your Care Team will ask you, your physician and your family/caregivers for input in development of changes in your service plan. If your services are changed, you will receive a letter explaining the change.

Withdrawal of Enrollment

You may ask Montefiore Diamond Care to stop the enrollment process at any time before the effective date of your enrollment. Montefiore Diamond Care will confirm your withdrawal in writing. After the effective date of your enrollment, you must disenroll from the program if you no longer wish to participate in Montefiore Diamond Care. See Section 11, Disenrollment and Termination of Benefits, pages 19–21.
11. Disenrollment and Termination of Benefits

Voluntary Disenrollment

Enrollment in Montefiore Diamond Care is voluntary, and you can initiate disenrollment at any time. We will make every effort to resolve your concerns. To initiate disenrollment from the program, you or your designee must make an oral or written request. You can make the request to any member of your Care Team, who will help you with the process. You will receive written acknowledgment of receipt of request for disenrollment. Disenrollment is effective on the last day of the month following the month in which it is processed by NYMC, LDSS or an entity designated by the NYS DOH. Written confirmation of disenrollment will be mailed to you after disenrollment becomes effective.

Please note that if you are enrolled in Montefiore Diamond Care and you apply to receive services from another managed care plan capitated by Medicaid, an OPWDD Day Treatment program or a program such as the Traumatic Brain Injury Program, you are considered to have initiated disenrollment from Montefiore Diamond Care.

Involuntary Disenrollment

There are certain circumstances under which Montefiore Diamond Care will disenroll you, even though this is not what you wish. Prior to taking this step, we will make every effort to resolve the issues/concerns if possible. You will receive a written notice of our decision to initiate involuntary disenrollment. Once your disenrollment is approved by NYMC, LDSS or an entity designated by the NYS DOH, then NYMC, LDSS or an entity designated by the NYS DOH will send you a notice of your right to a Fair Hearing. Montefiore Diamond Care will send you written confirmation of disenrollment.

Montefiore Diamond Care must disenroll you if:

- You move out of the Bronx or Westchester County;
- You leave the Bronx or Westchester County, our service area, for any reason for more than 30 consecutive days;
- You lose your right to receive benefits from the Medicaid program;
- You no longer require community-based long-term care services, or for non-dual eligible members, you no longer meet the nursing home level of care requirement;
- You are hospitalized or enter an Office of Mental Health, Office for People With Developmental Disabilities or Office of Alcohol Substance Abuse Services residential program for 45 days or longer; or
- You require nursing home care but you are not eligible under the Medicaid Program’s institutional eligibility rules.

Montefiore Diamond Care may choose to disenroll you if:
- You or your family members or caregivers engage in conduct or behavior that seriously impairs our ability to furnish services to you or others. We must demonstrate and document reasonable efforts to resolve the problems presented by you.

Montefiore Diamond Care may not disenroll you because of an adverse change in your health status, or because of your utilization of medical services, your diminished mental capacity, or uncooperative or disruptive behaviors resulting from your medical condition or special needs.

- You fail to pay or make arrangements to pay any amount owed as Medicaid spend-down/surplus within 30 days after the amount first became due, provided that during that 30-day period Montefiore Diamond Care made a reasonable effort to collect the amount, including making a written demand for payment and advising you in writing of prospective disenrollment.

- You knowingly fail to complete and submit any necessary consent or release.

- You provide Montefiore Diamond Care with false information, or deceive Montefiore Diamond Care or engage in fraudulent conduct with respect to any significant part of your membership.

**Termination of Enrollment for Other Reasons**

Your enrollment in Montefiore Diamond Care will be ended if Montefiore Diamond Care loses its contract with New York State allowing it to offer healthcare services. Montefiore Diamond Care has a contract with New York State that is subject to renewal on a periodic basis. Failure of Montefiore Diamond Care to maintain this contract will result in termination of enrollment in the program.

**Effective Date of Disenrollment and Coordination of Transfer to Other Service Providers**
Your disenrollment will become effective on the last day of the month after it is processed by NYMC, LDSS or an entity designated by NYS DOH. Until your disenrollment becomes effective, Montefiore Diamond Care will continue to provide covered services according to your care plan. During that time, if you wish, your Care Team will help you identify other service providers who can meet your care needs. Montefiore Diamond Care will assist you in contacting these providers and will coordinate the transfer of your care to them.

**12. Re-Enrollment Provisions**

If you voluntarily disenroll, you will be allowed to re-enroll in the program if you meet our eligibility criteria for enrollment. If you are involuntarily disenrolled, you will be allowed to re-enroll in the program if the circumstances that were the basis for disenrollment have been resolved.

**13. Monthly Spenddown**

The amount for which you will be responsible for paying to us will depend on your eligibility for Medicaid and Medicaid’s monthly spenddown program.

<table>
<thead>
<tr>
<th>If you are eligible for:</th>
<th>You will pay:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Medicaid (no monthly spenddown)</td>
<td>Nothing to Montefiore Diamond Care</td>
</tr>
<tr>
<td>Medicaid (with monthly spend-down)</td>
<td>A monthly spend-down to Montefiore Diamond Care as determined by New York City HRA or LDSS</td>
</tr>
</tbody>
</table>

If you are eligible for Medicaid with a spend-down and your spend-down changes while you are a Montefiore Diamond Care member, your monthly payment will be adjusted.

**14. Resolving Member Problems and Complaints**

We understand that there may be times when you are not satisfied with our services, or when you are not satisfied with one of our network providers. If you have a concern or complaint, we want to hear about it. In those cases, you can make a complaint or voice a concern to any member of your Care Team, to any Montefiore Diamond Care staff member or to a network provider.

We will try our best to deal with your concerns or issues as quickly as possible and to your satisfaction. You may use either our grievance process or our appeal process, depending on what kind of problem you have.
There will be no change in your services or the way you are treated by Montefiore Diamond Care staff or a healthcare provider because you file a grievance or an appeal. We will maintain your privacy. We will give you any help you may need to file a grievance or appeal.

This includes providing you with interpreter services or help if you have vision and/or hearing problems. You may choose someone (like a relative or friend or a provider) to act for you.

To file a grievance or to appeal a plan action, please call or write to:

Montefiore Diamond Care
Grievances and Appeals Department
Box 500
200 Corporate Boulevard South, Suite 200
Yonkers, NY 10701
Attention: Appeals Coordinator

1-855-55-MONTE (1-855-556-6683)

When you contact us, you will need to give us your name, address, telephone number and the details of the problem.

**What Is a Grievance?**

A grievance is any communication by you to us of dissatisfaction about the care and treatment you receive from our staff or providers of covered services. For example, if someone was rude to you or you do not like the quality of care or services you have received from us, you can file a grievance with us.

**The Grievance Process**

You may file a grievance orally or in writing with us. The person who receives your grievance will record it, and appropriate plan staff will oversee the review of the grievance. We will send you a letter telling you that we received your grievance and a description of our review process. We will review your grievance and give you a written answer within one of two timeframes. If a delay would significantly increase the risk to your health, we will decide within 48 hours after receipt of necessary information. For all other types of grievances, we will notify you of our decision within 45 days of receipt of necessary information, but the process must be completed within 60 days of the receipt of the grievance. The
review period can be increased up to 14 days if you request it, or if we need more
information and the delay is in your interest.

Our answer will describe what we found when we reviewed your grievance and
our decision about your grievance.

**How Do I Appeal a Grievance Decision?**

If you are not satisfied with the decision we make concerning your grievance, you
may request a second review of your issue by filing a grievance appeal.
You must file a grievance appeal in writing. It must be filed within 60 business
days of receipt of our initial decision about your grievance. Once we receive your
appeal, we will send you a written acknowledgment telling you the name, address
and telephone number of the individual we have designated to respond to your
appeal. All grievance appeals will be conducted by appropriate professionals.
Grievances involving clinical matters will be investigated by healthcare
professionals who were not involved in the initial decision.

For standard appeals, we will make the appeal decision within 30 business days
after we receive all necessary information to make our decision. If a delay in
making our decision would significantly increase the risk to your health, we will
use the expedited grievance appeal process. For expedited grievance appeals, we
will make our appeal decision within 2 business days of receipt of necessary
information. For both standard and expedited grievance appeals, we will provide
you with written notice of our decision. The notice will include the detailed reasons
for our decision and, in cases involving clinical matters, the clinical rationale for
our decision.

**What Is an Action?**

When Montefiore Diamond Care denies or limits services requested by you or
your provider; denies a request for a referral; decides that a requested service is
not a covered benefit; reduces, suspends or terminates services that we already
authorized; denies payment for services; does not provide timely services; or does
not make grievance or appeal determinations within the required timeframes, those
are considered plan “actions.” An action is subject to appeal. (See How Do I File
an Appeal of an Action? on page 26 for more information.)

**Timing of Notice of Action**

If we decide to deny or limit services you requested or decide not to pay for all or
part of a covered service, we will send you a Notice of Action when we make our
decision. If we are proposing to reduce, suspend or terminate a service that is
authorized, the Notice of Action will be sent at least 10 days before we intend to change the service.

Contents of the Notice of Action

Any Notice of Action we send to you will:

- Explain the action we have taken or intend to take;
- Cite the reasons for the action, including the clinical rationale, if any;
- Describe your right to file an appeal with us (including whether you may also have a right to the State’s external appeal and Fair Hearing process);
- Describe how to file an internal appeal and the circumstances under which you can request that we speed up (expedite) our review of your internal appeal;
- Describe the availability of the clinical review criteria relied upon in making the decision, if the action involved issues of medical necessity or whether the treatment or service in question was experimental or investigational;
- Describe the information, if any, that must be provided by you and/or your provider in order for us to render a decision on appeal.

If we are reducing, suspending or terminating an authorized service, the notice will also tell you about your right to have services continue while we decide on your appeal, how to request that services be continued, and the circumstances under which you might have to pay for services if they are continued while we are reviewing your appeal.

How Do I File an Appeal of an Action?

If you do not agree with an action that we have taken, you may appeal. When you file an appeal, it means that we must look again at the reason for our action to decide if we were correct. You can file an appeal of an action with the plan orally or in writing. When the plan sends you a letter about an action it is taking (like denying or limiting services, or not paying for services), you must file your appeal request within 45 calendar days of the date on our letter notifying you of the action.

How Do I Contact My Plan to File an Appeal?

We can be reached by calling or writing to:
Montefiore Diamond Care
Grievances and Appeals Department
Box 500
200 Corporate Boulevard South, Suite 200
Yonkers, NY 10701
The person who receives your appeal will record it, and appropriate staff will oversee the review of the appeal. We will send a letter telling you that we received your appeal, and how we will handle it. Your appeal will be reviewed by knowledgeable clinical staff who were not involved in the plan’s initial decision or action that you are appealing.

**For Some Actions You May Request to Continue Service During the Appeal Process**

If you are appealing a reduction, suspension or termination of services you are currently authorized to receive, you may request to continue to receive these services while we are deciding your appeal. Although you may request a continuation of services while your appeal is under review, if your appeal is not decided in your favor, we may require you to pay for these services if they were provided only because you asked to continue to receive them while your appeal was being reviewed.

We must continue your service if you make your request to us no later than 10 days from our mailing of the notice to you about our intent to reduce, suspend or terminate your services, or by the intended effective date of our action, and the original period covered by the service authorization has not expired.

Your services will continue until you withdraw the appeal, until the original authorization period for your services has been met or until 10 days after we mail your notice about our appeal decision, if our decision is not in your favor, unless you have requested a New York State Medicaid Fair Hearing with continuation of services. See Fair Hearing section below.

**How Long Will It Take the Plan to Decide My Appeal of an Action?**

Unless you ask for an expedited review, we will review your appeal of the action taken by us as a standard appeal and send you a written decision as quickly as your health condition requires, but no later than 30 days from the day we receive an appeal. (The review period can be increased by up to 14 days if you request an extension, or if we need more information and the delay is in your interest.) During our review you will have a chance to present your case in person and in writing. You will also have the chance to look at any of your records that are part of the appeal review.

We will send you a notice about the decision we made about your appeal that will identify the decision we made and the date we reached that decision.
If we reverse our decision to deny or limit requested services, or reduce, suspend or terminate services, and services were not furnished while your appeal was pending, we will provide you with the disputed services as quickly as your health condition requires.

In some cases you may request an “expedited” appeal. See Expedited Appeal Process section below.

**Expedited Appeal Process**

If you or your provider feels that taking the time for a standard appeal could result in a serious problem to your health or life, you may ask for an expedited review of your appeal of the action. We will respond to you with our decision within 2 business days after we receive all necessary information. In no event will the time for issuing our decision be more than 3 business days after we receive your appeal. (The review period can be increased by up to 14 days if you request an extension, or if we need more information and the delay is in your interest.)

If we do not agree with your request to expedite your appeal, we will make our best efforts to contact you in person to let you know that we have denied your request for an expedited appeal and will handle it as a standard appeal.

Also, we will send you a written notice of our decision to deny your request for an expedited appeal within 2 days of receiving your request.

**If the Plan Denies My Appeal, What Can I Do?**

If our decision about your appeal is not totally in your favor, the notice you receive will explain your right to request a Medicaid Fair Hearing from New York State and how to obtain a Fair Hearing, who can appear at the Fair Hearing on your behalf, and for some appeals, your right to request to receive services while the Hearing is pending and how to make the request. If we deny your appeal because of issues of medical necessity or because the service in question was experimental or investigational, the notice will also explain how to ask New York State for an “external appeal” of our decision.

**State Fair Hearings**

If we did not decide the appeal totally in your favor, you may request a Medicaid Fair Hearing from New York State within 60 days of the date we sent you the notice about our decision on your appeal.
If your appeal involved the reduction, suspension or termination of authorized services you are currently receiving, and you have requested a Fair Hearing, you may also request to continue to receive these services while you are waiting for the Fair Hearing decision. You must check the box on the form you submit to request a Fair Hearing to indicate that you want the services at issue to continue. Your request to continue the services must be made within 10 days of the date the appeal decision was sent by us or by the intended effective date of our action to reduce, suspend or terminate your services, whichever occurs later. Your benefits will continue until you withdraw the appeal, the original authorization period for your services ends, or the State Fair Hearing Officer issues a hearing decision that is not in your favor, whichever occurs first.

If the State Fair Hearing Officer reverses our decision, we must make sure that you receive the disputed services promptly, and as soon as your health condition requires. If you received the disputed services while your appeal was pending, we will be responsible for payment for the covered services ordered by the Fair Hearing Officer.

Although you may request to continue services while you are waiting for your Fair Hearing decision, if your Fair Hearing is not decided in your favor, you may be responsible for paying for the services that were the subject of the Fair Hearing.

**State External Appeals**

If we deny your appeal because we determine the service is not medically necessary or is experimental or investigational, you may ask for an external appeal from New York State. The external appeal is decided by reviewers who do not work for us or New York State. These reviewers are qualified people approved by New York State. You do not have to pay for an external appeal.

When we make a decision to deny an appeal for lack of medical necessity or on the basis that the service is experimental or investigational, we will provide you with information about how to file an external appeal, including a form on which to file the external appeal along with our decision to deny an appeal. If you want an external appeal, you must file the form with the New York State Department of Financial Services within four months from the date we denied your appeal.

Your external appeal will be decided within 30 days. More time (up to 5 business days) may be needed if the external appeal reviewer asks for more information. The reviewer will tell you and us of the final decision within two business days after the decision is made.
You can get a faster decision if your doctor can say that a delay will cause serious harm to your health. This is called an expedited external appeal. The external appeal reviewer will decide an expedited appeal in 72 hours or less. The reviewer will tell you and us the decision right away by phone or fax. Later, a letter that confirms the decision in writing will be sent to you.

You may ask for both a Fair Hearing and an external appeal. If you ask for a Fair Hearing and an external appeal, the decision of the Fair Hearing Officer will be the one that counts.

**Contacting the New York State Department of Health**

Remember, if at any time you are dissatisfied with how Montefiore Diamond Care has treated you, or how we have handled your complaint, you can contact the New York State Department of Health by writing to:

New York State Department of Health  
Bureau of Managed Long Term Care  
Empire State Plaza Corning Tower  
Room 1911  
Albany, NY 12237  
866-712-7197

**15. Your Rights and Responsibilities as a Montefiore Diamond Care Member**

*As a member of Montefiore Diamond Care, you have the right:*

1. To receive medically necessary care.  
2. To timely access to care and services.  
3. To privacy about your medical record and when you get treatment.  
4. To get information on available treatment options and alternatives presented in a manner and language you understand.  
5. To get information in a language you understand. You can get oral translation services free of charge.  
6. To get information necessary to give informed consent before the start of treatment.  
7. To be treated with respect and dignity.  
8. To get a copy of your medical records and ask that the records be amended or corrected.  
9. To take part in decisions about your healthcare, including the right to refuse treatment.
10. To be free from any form of restraint or seclusion used as a means of coercion, discipline, convenience or retaliation.
11. To get care without regard to sex, race, health status, color, age, national origin, sexual orientation, marital status or religion.
12. To be told where, when and how to get the services you need from Montefiore Diamond Care, including how you can get covered benefits from out-of-network providers if they are not available in the plan network.
13. To complain to the New York State Department of Health.
14. To complain to your local department of social services and the right to use the New York State Fair Hearing system.
15. To appoint someone to speak for you about your care and treatment.
16. To make advance directives and plans about your care.

Responsibilities of Members

To have the greatest benefit from enrollment in Montefiore Diamond Care, you have the following responsibilities:

1. To Participate Actively in Your Care and Care Decisions
   - To communicate openly and honestly with your doctor and Care Team about your health and care.
   - To ask questions to be sure you understand your service plan and to consider consequences of not following your service plan. Your Care Plan and changes to your Care Plan will be discussed and documented as part of our monthly care management call.
   - To share in care decisions and continue to be in charge of your own health.
   - To complete self-care as planned.
   - To keep appointments or inform the Care Team of needs to change appointments.
   - To use Montefiore Diamond Care network providers for care except in emergency situations.
   - To notify Montefiore Diamond Care if you receive health services from other healthcare providers.
   - To participate in policy development by writing to us, or calling us, or being part of the member advisory council.

2. To Support the Montefiore Diamond Care Program
   - To appropriately express opinions, concerns and suggestions in the following ways, including, but not limited to, expressing your opinions or concerns to your Care Team, or through the Montefiore Diamond Care grievance and appeals process.
• To review the Member Handbook and follow procedures to receive services.
• To respect the rights and safety of all those involved in your care and to assist Montefiore Diamond Care in maintaining a safe home environment.
• To notify your Care Team at Montefiore Diamond Care if you:
  • are leaving the service area
  • have moved or have a new telephone number
  • have changed doctors
  • have any changes in your condition that may affect our ability to provide care

Please contact us at the location below:
Montefiore Diamond Care
200 Corporate Boulevard South, Suite 200
Yonkers, NY 10701
1-855-55-MONTE (1-855-556-6683)

Notice of Information Available on Request

The following information is available upon request by the member:

- A list of names, business addresses and official positions of the members of Montefiore HMO’s Board of Directors, officers, controlling partners, and owners or partners.
- A copy of the most recent annual certified financial statement of Montefiore HMO, including a balance sheet and summary of receipts and disbursements prepared by a certified public accountant.
- Information related to member complaints and aggregated information about grievances and appeals.
- Montefiore Diamond Care procedures for protecting confidentiality of medical records and other member information.
- A written description of the organizational arrangement and ongoing procedures of Montefiore Diamond Care’s Quality Assurance Program.
- A description of the procedures followed by Montefiore Diamond Care in making decisions about the experimental or investigational nature of individual drugs, medical devices or treatments in clinical trials.
- Upon written request, specific written clinical review criteria relating to a particular condition or disease and, where appropriate, other clinical information that Montefiore Diamond Care might consider in its utilization review and how it is used in the utilization review process, provided, however, that to the extent that such information is proprietary to Montefiore Diamond
Care, the member or prospective member shall use the information only for the purpose of assisting the member/prospective member in evaluating the covered services provided by Montefiore Diamond Care.

- Individual health practitioner affiliations with participating hospitals and other facilities.
- Licensure, certification and accreditation status of participating providers.
- Written application, procedures and minimum qualification requirements for healthcare providers to be considered by Montefiore Diamond Care; and/or
- Information concerning the education, facility affiliation and participation in clinical performance reviews conducted by the Department of Health, of health care professionals who are licensed, registered or certified under Article 8 of the State Education Law.

16. Protection of Member Confidentiality

It is the policy of Montefiore Diamond Care to protect your confidentiality and that of your family. To protect this confidentiality:

- All information in your medical record is confidential. Staff protect against accidental release of information by safeguarding records and reports from unauthorized use.
- All requests for information will be reviewed by the Montefiore HMO Compliance/Privacy Officer to protect your right to privacy. Only necessary information will be released to community agencies, hospitals and long-term care facilities to ensure the continuity of your care. Information will be copied or shared with these agencies only if you or your designee has signed a release to authorize Montefiore HMO to provide medical, nursing and psychosocial information to that facility.
- Montefiore HMO will permit only legally authorized representatives of Montefiore HMO to inspect and request copies of your medical record and other records of the covered services provided to you according to the written consent that you will have been asked to execute authorizing Montefiore Diamond Care to release such information.
- Montefiore Diamond Care will follow all federal and New York State laws regarding confidentiality, including those that relate to HIV testing results.
- Montefiore Diamond Care will maintain all records relating to you for a period of not less than seven years after your disenrollment. Montefiore Diamond Care’s medical and financial records are, and will remain, the property of Montefiore Diamond Care except in accordance with applicable state and federal law, regulations and Montefiore Diamond Care policy and procedures.
- Any requests for information regarding your care received from law enforcement agencies, such as the police or district attorney’s office, will be
brought to the attention of the President of Montefiore HMO prior to providing any information to ensure that the proper authorization is obtained.

17. **Quality Assurance and Improvement Program**

Montefiore Diamond Care has a Quality Management System to systematically monitor and evaluate the quality and appropriateness of care and service. This comprehensive Quality Management System must meet the New York State health and long-term care quality assurance standards.

Our Quality Management System identifies opportunities for improving:

- The quality of service provided;
- The management of care, including availability, access and continuity;
- The identification and correction of operational and care management practices;
- The outcomes in clinical, nonclinical and functional areas.

The Quality Management System includes a plan to look for areas where improvement is needed, a process for the continuous improvement of performance, a review of the credentials of all providers providing care or service, maintenance of health information records and review of service utilization. We welcome your suggestions and input regarding quality improvement.
