

COMMUNITY BASED ORGANIZATION (CBO) WORK BOOK FOR ORANGE COUNTY, NEW YORK

Purpose: This workbook is intended to serve as a resource guide of programs and services designed to enhance our health and well-being.

Description: Included in this work book are the listings of community based organizations in the county. The categories are described and listed alphabetically.

CLOTHING/FURNITURE BANKS

Families who may have lost their homes due to disaster, be in transition from homelessness or on the verge of homelessness, may need access to clothing/furniture banks. These banks provide children and adult clothing and furniture to families either free of charge or at a very small fraction of the costs.

COMMUNITY BASED HEALTH EDUCATION PROGRAMS INCLUDING FOR HEALTH PROFESSIONS/STUDENTS

Community based health education programs are designed to reach people outside of traditional health care settings. These settings may include schools, worksites, health care facilities, and community organizations. Educational and community-based programs encourage and enhance health and wellness by educating community members on topics such as chronic diseases, injury and violence prevention, mental illness/behavioral health, unintended pregnancy, oral health, tobacco use, substance abuse, nutrition and obesity prevention, and physical activity.

COMMUNITY GARDENS

Community gardens can greatly improve people’s quality of life by bringing about great social and health benefits such as creating cultural and community development opportunities through the involvement of people from different backgrounds, reducing crime rates, enhancing youth development, improving health through healthy eating, beautifying neighborhoods, creating more green spaces, producing nutritious foods, reducing family food budgets, conserving resources, and creating opportunities for recreation, exercise, therapy and education.

FARMER'S MARKETS

Farmers' markets are physical markets where home grown farmers sell their products, such as fresh fruits, vegetables, meats, or prepared foods and beverages directly to consumers. Farmers' markets create community connections and support the local economy, as well as encourage healthy eating through fresh, nutritious foods.

YOUTH DEVELOPMENT PROGRAMS

Youth development programs guide youth in their journey toward independence in young adulthood by teaching them the skills and knowledge needed to function in the adult world. Some examples of these skills include problem solving, collaboration, conflict resolution, peer education, leadership, and mentoring. These programs also offer educational enhancement through extracurricular activities. Examples of these programs include mentoring, youth leadership development, cultural, arts, and music, sports and recreation, college and career preparation, adolescent health, and pregnancy prevention programs.
