

COMMUNITY BASED ORGANIZATION (CBO) WORK BOOK FOR ULSTER COUNTY, NEW YORK

Purpose: This workbook is intended to serve as a resource guide of programs and services designed to enhance our health and well-being.

Description: Included in this work book are the listings of community based organizations in the county. The categories are described and listed alphabetically.

ALTERNATIVES TO INCARCERATION (ATI) PROGRAMS

These programs are designed to reduce pretrial detention and/or incarceration. These programs may fall under the authority of governmental or non-profit agencies. They operate in conjunction with the criminal justice system in all New York State counties.

COMMUNITY BASED HEALTH EDUCATION PROGRAMS INCLUDING FOR HEALTH PROFESSIONS/STUDENTS

Community based health education programs are designed to reach people outside of traditional health care settings. These settings may include schools, worksites, health care facilities, and community organizations. Educational and community-based programs encourage and enhance health and wellness by educating community members on topics such as chronic diseases, injury and violence prevention, mental illness/behavioral health, unintended pregnancy, oral health, tobacco use, substance abuse, nutrition and obesity prevention, and physical activity.

FARMER'S MARKETS

Farmers' markets are physical markets where home grown farmers sell their products, such as fresh fruits, vegetables, meats, or prepared foods and beverages directly to consumers. Farmers' markets create community connections and support the local economy, as well as encourage healthy eating through fresh, nutritious foods.

PEER SUPPORTS (RECOVERY COACHES)

Peer supports are designed and delivered by people (recovery coaches) who have experienced both substance use disorder with subsequent success in recovery. As such, these peers bring a myriad of experiential firsthand knowledge to help people become and stay engaged in the recovery process and reduce the possibility of relapse. The services can effectively extend beyond the clinical setting into the everyday environment of those seeking to achieve or sustain recovery.
