Breast Cancer Updates 2017—a continuing medical education (CME) event hosted by White Plains Hospital Center for Cancer Care and Montefiore Einstein Center for Cancer Care—is a comprehensive scientific presentation on the evolving management of breast cancer.

Join us as our panel of multidisciplinary experts discusses how evidence-based medicine and new technologies have advanced care for breast cancer patients. Topics discussed will include:

• Screening guidelines
• Breast surgery updates
• Reconstructive options
• Special patient populations
• Radiation and medical therapies
• Clinical trials and more
