

Financial Assistance Summary

Montefiore Medical Center recognizes that there are times when patients in need of care will have difficulty paying for the services provided. Financial Aid provides discounts to qualifying individuals based on your income. In addition, we can help you apply for free or low-cost insurance if you qualify. Just contact a Financial Counselor at 718-920-5658 or go to 111 East 210th Street Room RS-001, 600 East 233rd Street (Central Registration) or 1825 Eastchester Road (Admitting Office) for free, confidential assistance.

Who qualifies for a discount?

Financial Assistance is available for patients with limited incomes and no health insurance. Montefiore Medical Center also provides financial assistance to patients who have insurance coverage but have an out-of-pocket expense that they cannot afford or deem a hardship, including payment arrangement upon request. Any financial aid allowance will be determined on a case-by-case basis.

Everyone in New York State who needs emergency services can receive care and get a discount if they meet the income limits.

Everyone who lives in the five boroughs and Westchester County can get a discount on non-emergency, medically necessary services at Montefiore Medical Center if they meet the income limits. You cannot be denied medically necessary care because you need financial assistance.

You may apply for a discount regardless of immigration status.

What are the income limits?

The amount of the discount varies based on your income and the size of your family. If you have no health insurance, these are the income limits:
