The Rotary Club of the Hudson Valley and Montefiore Einstein Cancer Center are proud to partner in offering iBreastExam for early detection of breast cancer lesions. This drug-free, painless, quick and radiation-free breast exam—performed by breast cancer experts from Montefiore Einstein Cancer Center—helps discover previously undetected breast lumps and lesions.

Are YOU at high risk for breast cancer? Find out for FREE: insured, uninsured, underinsured and undocumented women.

To register and schedule your exam, visit rotaryhudsonvalley.org. No insurance required.
WE ACCEPT WALK-INS.

Masks required.
