Financial Assistance Summary

Montefiore Medical Center recognizes that there are times when patients in need of care will have difficulty paying for the services provided. Financial Aid provides discounts to qualifying individuals based on income and family size. In addition, we can help you apply for free or low-cost insurance if you qualify. Just call or visit a Financial Counselor at sites listed on Page 2 or email financialaid@montefiore.org for free, confidential assistance. More information about the financial assistance policy can be found at <http://www.montefiore.org/financial-aid-policy>. You can also receive an application at no cost via mail.

Who qualifies for a discount?

Financial Assistance is available for patients with no health insurance or limited health insurance coverage that reside in the medical center’s primary service area (New York State).

Montefiore Medical Center also provides payment arrangements to patients that have insurance coverage but have an out-of-pocket expense that they cannot afford or deem a hardship.

Everyone in New York State who needs emergency or medically necessary services can receive care and get a discount.

You cannot be denied emergency or medically necessary care because you need financial assistance.

You may apply for a discount regardless of immigration status.

What are the income limits?

The amount of the discount varies based on your income and the size of your family. If you have no health insurance or limited health insurance, these are the income limits:
