

HIGH PRIORITY IN-KIND DONATION NEEDS

Montefiore Health System

COVID-19 is here. Everywhere. We are poised to do our part.

Montefiore’s medical care teams are on the frontlines of COVID-19—treating patients, preventing spread, innovating solutions, and providing a model for healthcare systems around the nation. To combat the surge of this pandemic, we rely on your generosity.

In addition to monetary donations (which we accept with gratitude for [Montefiore’s Critical Response Care Fund](#) and [Einstein’s Critical Response Research Fund](#)), our medical teams are in dire need of donated materials during this crisis. The below list provides a sampling of our current in-kind donation needs.
