Contemporary Management of Brain Tumors, a continuing medical education event hosted by White Plains Hospital Center for Cancer Care and Montefiore Einstein Center for Cancer Care, is a multi-disciplinary presentation on the latest best practices in management of brain tumors in adult and pediatric patients. Our expert panel will discuss topics including advanced imaging modalities, precise and minimally invasive surgical approaches for skull-base tumors and other brain tumors; medical management of glioblastoma; advanced stereotactic radiosurgery for treatment of benign, malignant and metastatic brain tumors; and pediatric brain tumors and associated syndromes.
